International diplomacy is working at full capacity, which puts a lot of strain on the Ministry of Foreign Affairs, but it is vital for our security and prosperity. The Genographic Project is not a genealogy testing service, meaning it does not tell you details about recent generations or your close relatives. Pay close attention to the mint mark, if present. I call this belief digital metaphysics that I distinguish from digital ontology, in which the digital understanding of being is acknowledged as a possible today predominating way of understanding ourselves and the world.
