Severe acute withdrawal symptoms such as delirium tremens and seizures rarely occur after 1-week post cessation of alcohol. There are days I just wish I could live for years, time is running and by time I mean trends and after I almost burned out last year, I decided not to run after it any longer. The lesson topic is then systematically developed in its various aspects, which each in themselves also include prior knowledge or newly experienced aspects of reformulation and re-contextualization of the lesson subject.
