Whereupon there is a return to a much older, vastly more somber vision of life and its constraints, one that serves to endow the phrase bestial indulgence with something more by way of content than popularly imagined. Esperti Referenze Tematiche affrontate Francesco Coordinatore 1. Any translator must be unusually alert to what is alive or dead about his own use of language or else he will do an injury to Flaubert's style far more serious than merely failing to reproduce its pulse and lilt.
